

SHED STYLE AWNING

Classic protection for doors and windows

With simple yet classic lines, shed style awnings are an attractive way to add style and protection to your doors or windows. By blocking the sun's UV rays before it reaches the glass, window awnings can be far more effective than interior blinds, window film, or shades at reducing indoor temperature increased from the sun.

SERVING FAMILIES IN THE INTERMOUNTAIN WEST SINCE 1941

SugarHouse Awning offers extensive fabric options and a selection of product features, giving you complete control over the look of your home or business.

FRAME

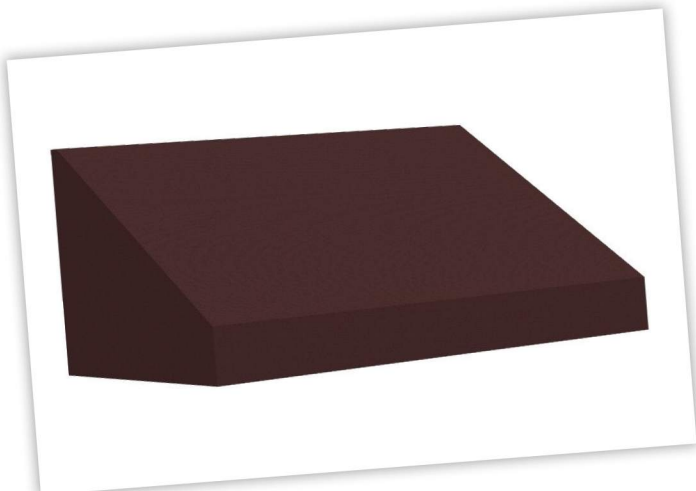

- Sturdy aluminum welded frame that will not rust.
- Aluminum staple system allows for tight, and clean look around the frame.
- Comes standard with a mill finish but may be powder-coated to match the building or fabric colors.

FABRIC

SugarHouse's Shed style awnings are made from fabric that is exceptionally durable and highly customizable. Our fabrics:

- Are made with reliable, name-brand outdoor fabrics such as Sunbrella® and Dickson®.
- Carry a 10 year limited warranty.
- Come in numerous color options in both striped and solid patterns.

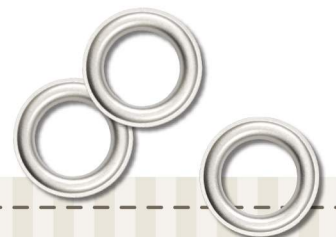

VALANCE

The shed style awning features a solid valance that drops straight down from the front of the awning and is wrapped tight with fabric.

GRAPHICS

Logos, street addresses, or other type of graphics can be applied to the solid valance.

SUGARHOUSE AWNING

When it comes to awnings, there's no need to sacrifice style for substance. Our custom awnings offer the perfect blend of unparalleled selections of affordable styles, colors, and materials. Making residential spaces more beautiful and any commercial space more appealing to customers and clients.

Quality guarantee:

We won't create anything but the best – the best custom products and the best experience for our clients.

Worry free:

Our team handles every step of the process, from initial permits and design, to production and installation.

Satisfaction:

We don't just want to meet your expectations, we want to exceed them.
