

OPEN-ENDED AWNING

Modern style,
classic protection

Our open-ended awnings lose the side fabric in order to provide a more open feeling to the area being covered allowing more light to enter your home while still providing shade and aesthetic appeal.

SERVING FAMILIES IN THE INTERMOUNTAIN WEST SINCE 1941

FRAME

- Sturdy aluminum welded frame that will not rust
- Aluminum staple system allows for tight, seamless fit around the frame
- Comes standard with a mill finish but may be powder-coated to match the building or fabric colors

FABRIC

SugarHouse Awning's dome awnings are made from fabric that is exceptionally durable and highly customizable.

Our fabrics:

- Are made with reliable, name-brand woven acrylic outdoor fabrics such as Sunbrella® and Dickson®
- Carry a 10 year limited warranty
- Come in numerous color options in both solid and striped patterns

VALANCE

The scalloped valance along the bottom of the awning is an optional feature available in many different sizes and styles

GRAPHICS

Logos, street addresses, or other types of graphic can be applied to the valance

SUGARHOUSE AWNING

When it comes to awnings, there's no need to sacrifice style for substance. Our custom awnings offer the perfect blend of unparalleled selections of affordable styles, colors, and materials. Making residential spaces more beautiful and any commercial space more appealing to customers and clients.

Quality guarantee:

We won't create anything but the best – the best custom products and the best experience for our clients.

Worry free:

Our team handles every step of the process, from initial permits and design, to production and installation.

Satisfaction:

We don't just want to meet your expectations, we want to exceed them.
