

# GUARD AGAINST THE UNEXPECTED

AWNING GUARD™

## Reduce Downtime

The Awning Assessment Report will help you budget for future maintenance or replacement requirements, while reducing unplanned downtime and associated revenue loss. In addition, as an Awning Guard member, our **Priority 7-Day Service** will get you up and running quickly should something break.

## Save on Repair Costs

All repairs scheduled within 30 days of receiving our Awning Assessment Report qualify for a **20% discount on labor and parts\*\***.

When it comes to business, looks do matter. Whether you are using an awning to build brand visibility or to maximize the use of your outdoor space, proactively monitoring the state of your awning will ensure your business stands apart from the competition without interruptions.

SugarHouse Industries' **Yearly Scheduled Visual Assessment\*** is designed to identify potential trouble spots before they become an issue, thus extending the life of your awning. During their visit, SugarHouse's expert technicians will appraise and document the condition of your awning's fabric, frame and hardware. Their findings and any diagnosed repair recommendations are included in the detailed **Awning Assessment Report** sent to you after their visit.
