

RUGGED. ALL WEATHER PROTECTION

Est. 1941
SugarHouse
INDUSTRIES

SugarHouse UTV cab enclosures and storage covers are handcrafted to ensure a precise fit for each model. They are manufactured using heavy-duty, marine-grade polyester that is **water-repellent, tear resistant, and impervious to mildew and UV rays.** WITH THOSE QUALITIES, YOU WILL HAVE A PRODUCT THAT IS AS TOUGH AS YOUR UTV IS.

ULTIMATE CAB ENCLOSURE

The full cab enclosure provides full coverage of your cab when combines with an existing hard windshield and roof.

AVAILABLE IN A 2- AND 4-DOOR MODEL, SugarHouse's UTV enclosure is sure to protect you and your passengers from rain, wind, sand, and snow.

DOORS CAN BE ROLLED UP and secured to create an open-cab environment during warmer months.

Windows are made from 20 gauge, anti-scratch, marine-grade vinyl, which provides an **UNINHIBITED VIEW AND TOTAL CLARITY.**

LIGHTWEIGHT AND EASY TO ATTACH TO YOUR UTV, our enclosures give you the protection you need, allowing you to truly stay comfortable even in the cooler months.

PREMIUM STORAGE COVER

MADE IN THE USA using heavy-duty, marine-grade, 100% polyester, waterproof and fade-resistant materials, SugarHouse's Premium UTV Storage Covers, are made to last.

We know from experience that because of the high-quality fabrics we use and our proven manufacturing methods, our Premium UTV Storage Covers will provide you with many years of service. Accordingly, we feel confident in guaranteeing our craftsmanship with a **7-YEAR WARRANTY.**

Taylor-made in our Utah manufacturing facility, SugarHouse's Premium UTV storage covers are **LIGHT YET VERY STRONG.**

The **TEAR AND ABRASION-RESISTANT** properties of the material, and its mildew and UV resistant characteristics provide rugged, all-weather protection even in the harshest of Utah weather conditions.

An elastic cord hem under the front and rear bumper produce a **FAST, SNUG FIT,** while straps around the front and rear tires ensure the cover will not blow off in the wind.
