# SERVING FAMILIES IN THE INTERMOUNTAIN WEST SINCE 1941

## SUNTAMER TENSION PANELS

- Keep your family, home, and furniture safe from harmful UV rays
- Create an entertaining area that is inviting and comfortable where your family can gather
- Cool your home inside and out during the hot summer months saving you energy and money
- Block the sun while still allowing you to enjoy the beautiful view
- Enhance the appearance of your outdoor space making you want to spend more time outside

## MESH FABRIC

- Panels are made with reliable, name-brand outdoor fabrics
- Carry a 5 year limited warranty
- Block the sun but not the view - Our vinyl-coated, polyester-fiber mesh fabric stops 80-95% of UV rays
- Come in numerous color options to choose from
- Are infused with Microban technology – an anti-microbial that diminishes the growth of stains and odor causing bacteria
- Offer excellent shading advantages for you and your family

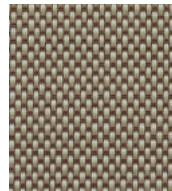

## FRAME:

- A tension panel system can be installed to an existing structure like a pergola
- We can also do custom design and manufacture aluminum frame structures to which the panel system can be attached
- Our aluminum frames come powder coated in black, white, grey, or bronze. Custom colors are also available

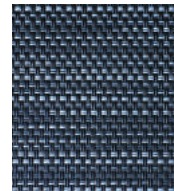

## HARDWARE:

- Spring buckles on the fabric panel allow the panels to be easily removed
- The webbing attached to spring buckles can be adjusted to keep the panels taut
