SHADEGLIDE

The Perfect Addition To Your Outdoor Space

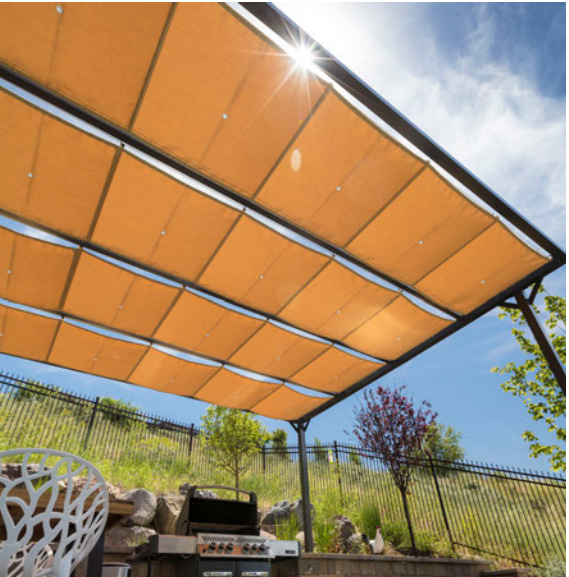

FRAME

- A slide-wire cable canopy system can be installed to an existing structure like a pergola or onto one of our Timberpeak Wooden Frames
- We can also custom design and manufacture aluminum frame structures to which the cable canopy system can be attached
- Our aluminum frames come in powder coated in white, bronze, or black. Custom colors are also available

FABRIC

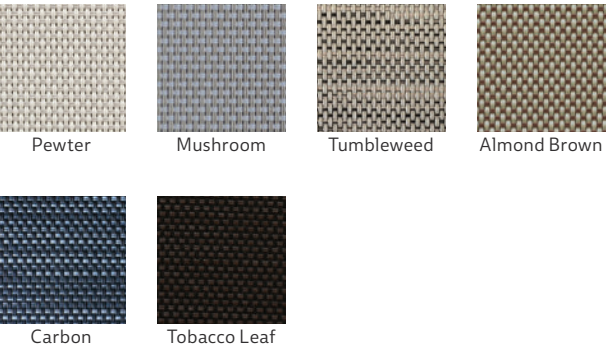

- Acrylic Fabric**
- Made with reliable, name-brand outdoor fabrics such as Sunbrella® and Dickson®
 - Carry a 10-year limited warranty
 - Come in numerous color options and patterns
 - Provide nearly 100% UV blockage and are opaque
 - They are ideal for shade and privacy applications
- Mesh Fabric**
- Panels are made with reliable, name-brand outdoor fabrics such as Awntex® and Textilene®
 - Carry a 5-year limited warranty
 - Come in numerous color options
 - Block the sun but not the view- our fabric stops 80-95% UV rays
 - Are infused with Microban® technology, an antimicrobial that inhibits the growth of stains and odor-causing bacteria

USE

- Fabric panels slide back and forth on the cables to provide shade as needed
- A pull stick is included to help reach the overhead fabric panels
- Optional security straps or tie back cables are available to keep the panels retracted in heavy winds
- Optional boots are available for winter storage

POPULAR FABRIC CHOICES

RETRACTABLE

Modern Style, Classic Protection

Retractable awnings are a fantastic way to provide optional shade to your patio, deck, or seating area.

The frame's unique arms move easily to full extension and can also stop anywhere in between to make sure your shade is just right. In addition to length, the awning's pitch can also be adjusted.

HIGHLIGHTS

- Available in well-known fabrics like Sunbrella® and Dickson®
- 10-year limited warranty against becoming unserviceable
- Plenty of color options in both stripes and solids
- Valance at bottom available in multiple shapes and sizes
- Available motor for easy extension
- Available remote control
- Available sun and wind sensors for easy automation
- Manual hand crank can be removed and stored, to be used only when needed
- Available hood, which attaches to the frame and protects the roller and fabric when stored
- Can be mounted on your roof, if necessary, using special brackets

POPULAR FABRIC CHOICES

RAYBLOCK

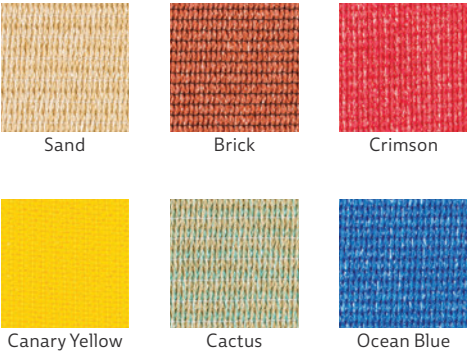

A Space To Relax & Play

SHADE SAILS

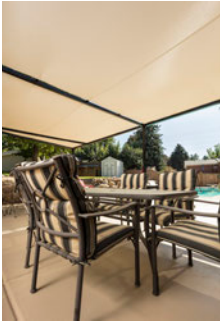

- Keep your family, home, and furniture safe from harmful UV rays
- Create an entertaining area that is inviting and comfortable where your family can gather
- Cool your home inside and out during the hot summer months saving you energy and money
- Block the sun while still allowing you to enjoy the beautiful view
- Enhance the appearance of your outdoor space making you want to spend more time outside

POPULAR FABRIC OPTIONS

SUNTAMER

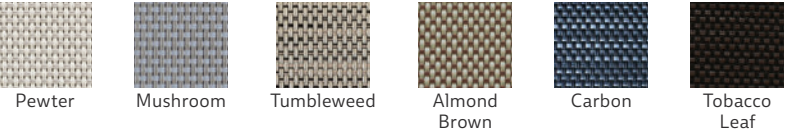

Transform Your Yard Into An Oasis

MESH FABRIC

- Panels are made with reliable, name-brand outdoor fabrics
- Carry a 5-year limited warranty
- Block the sun but not the view - Our vinyl-coated, polyester-fiber mesh fabric stops 80-95% of UV rays
- Come in numerous color options to choose from
- Are infused with Microban® technology - an anti-microbial that diminishes the growth of stains and odor causing bacteria
- Offer excellent shading advantages for you and your family

FABRIC OPTIONS

LOUVERED ROOF

A Year-Round Outdoor Getaway

The Louvered Roof is a beautiful and unique patio/deck cover that can be open to let in sunlight or closed to provide shade and weather protection

SHADE CONTROL

By operating the motorized louvers with the remote control, you can fully open or fully close to adjust the shade exactly where you need it

SUN CONTROL

When you want the sun on the patio, coming through your windows or patio doors, you can easily get it by opening the louvers at a slant, to provide up to 85% of the natural light

VENTILATION CONTROL

With Louvered Roof's, you get almost 100% ventilation. When the louvers are open, they are parallel to each other

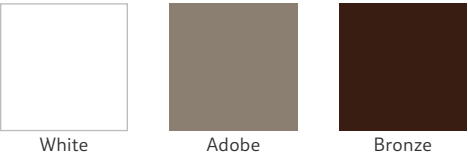

RAIN CONTROL

The Louvered Roof has interlocking louvers with a drip edge, so the rain simply runs into the louver troughs, and then out into the full perimeter gutter. It can then run into the post as a down spout or through a regular down spout. It can also be saved into a rain storage device or directed to the lawn or garden. Because of the gutter screens, you will never have to clean out leaves!

FRAME

- Sturdy extruded aluminum that will not rust
- Louver Roof can be built up to 16 feet
- Beautiful, designer crown molding extruded aluminum gutters & screens to keep leaves out
- Louver Roof opens in just 12 seconds
- Remote controlled &/or hardwired switch as well as in home wall remote
- Carries a 16-year limited warranty
- 2 levels of LED light shelves to light up your deck/patio in the evening
- Elegant flat tongue-and-groove finished ceiling look when louvers are closed
- Powder coated paint- It is available in 3 standard colors and 20 custom colors
- Materials made in the USA

POWDER COAT COLORS

CUSTOM WOODGRAIN POWDER COAT

WINDOW AWNINGS

Add Style & Protection To Your Home

STYLES

Retractable

Retractable window awnings come with either manual or motorized controls for convenient operation. Available in Sunbrella® fabrics.

Rope-operated

Rope-operated window awnings are a sturdy, durable shade solution for your storefront or home. Can be pulled tightly to the house by pulling on the ropes, pivoting the framework against the house.

Rigid

These awnings are constructed from welded tubular metal supports that are covered in fabric that can be colored with the color or pattern of your choice. There are four styles including dome, open-ended, shed style, or traditional.

HIGHLIGHTS

- 10-year limited warranty against becoming unserviceable
- Available in well-known fabrics like Sunbrella®, Dickson®, AwnTex®, and Textiline®
- Plenty of color choices
- All will help cool the interior of your home or business
- Can be left attached year-round
- Retractable and rope-operated can be removed during the winter months

ALUMINUM AWNING

Stylish, Long-Lasting Coverage For Your Patio

We use the strongest extruded materials available for the framework, and compliment this with our engineered aluminum panels designed for the snow-load required for whatever area you are living in.

STYLES

Sun Country

For those wishing for the advantage of a solid cover and a totally different look, then the "Sun Country" is the choice for the distinctive homeowner. With the built-in rain system, choice of 4 colored embossed roof panels along with 10 different colors available for the perimeter of your patio cover, the Sun Country gives you a myriad of different options you can choose from!

V-Pan

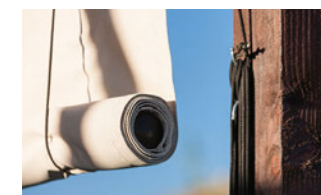

For those wishing to have complete coverage to protect you and your patio furniture. Then our 31/2" V-Panel Cover would be your best choice. This cover is designed to move the water away from your home, using a built-in rain gutter system. With the 31/2" V-Panel Patio Cover you'll be able to enjoy your space even when the weather is less than perfect.

ROPE OPERATED

Add Instant Shade To Your Outdoor Or Indoor Areas

- Available in reliable and well known fabrics such as Awntex and Textilene
- Mesh-like, open-weave, vinyl-coated, polyester fiber material
- Protected by 5-year limited warranty
- Plenty of color options
- Provides 70-97% sun protection while still see-through
- Also available in Sunbrella fabrics, providing 100% protection but not see-through
- Made to order in standard or custom sizes
- Standard sizes - 48"-168" (4ft.-14ft.)
- Available for DIY installation

EXTERIOR & INTERIOR

A Stylish Shade That Adds Privacy & Blocks The Rays

INTERIOR

- Maximizes efficiency
- Keeps rooms cool
- Protects furniture from sun damage
- Various styles and colors

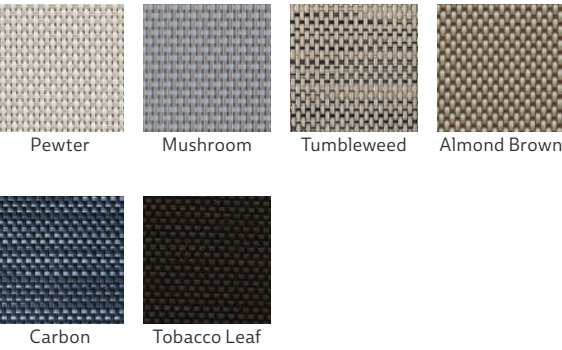

EXTERIOR

- Home Automation Integration
 - Optional electric motor uses a wall switch or handheld remote control to conveniently raise and lower the shade
 - Manually operated drop shades use a hand crank to raise and lower the shade, which can be removed and stored
 - Guides on each side of the shade allow it to roll up and down properly and add stability-guides can be either metal tracks or thin cables
 - Wind sensor
 - Sun sensor
 - 10-year limited warranty
- Available in reliable and well known fabrics such as Awntex and Textilene
 - Are infused with Microban® technology, an antimicrobial that inhibits the growth of stains and odor-causing bacteria
 - Offer excellent shading advantages without trapping heat or airflow
 - Our vinyl-coated, polyester-fiber mesh fabric stops 85%-95% of UV rays
 - A solution-dyed acrylic material, such as Sunbrella®, is also available-because it blocks nearly 100% of the sun and visibility, this material is ideal for both shade and privacy.

RAILINGS

The Solid Choice For Your Outdoor Space

STYLES

Iron Railing

- Pre-welded, easily customized railing provides a classic appearance
- Premium powder coating for the most elegant and durable steel railing system on the market

Cable Railing

- Virtually maintenance free with no need to tension your system on a regular basis
- Coated with a durable multi-layered anti-corrosion coating, to ensure enduring beauty

Glass Railing

- Enjoy slick, modern aesthetic coupled with low maintenance
- Our simple drop-in solution simplifies the installation process and its more cost effective than custom cut-glass panels

GATES

Available in both aluminum and steel to match your railing, our gates convert your outdoor space into a safe area for your family and pets

ACCENT LIGHTING

Easily transform any railing style with our waterproof, energy efficient LED lighting kit. Backed by a 10-year warranty, its thermal management system offers a power supply option with a timer, dimmer, and photocell.

POWDER COATING

PRE-TREATMENT

- Mechanical etching removes any oxidation and roughs the surface for optimal adhesion of powder coating
- Chemical prewash dissolves grease, debris and impurities collected on the aluminum leaving a surface that is ready for color

APPLICATION

- Custom-formulated powder coating formula provides superior adhesion, impact resistance and lubricity which eliminate chipping and scratching problems during assembly, and use
- UV resistant properties yield minimal color changes when exposed to harsh weather conditions over long periods of time
- Premium ingredients with excellent leveling and smoothness attributes that provide consistent finishes in popular colors
- Electrostatic application ensures complete and even coverage

CURING

- Optimized curing temperature and durations for particles to flow together and form a hard, continuous film over the surface

PREMIUM FINISH

Our Steel railing is available in three premium finishes engineered to withstand the elements

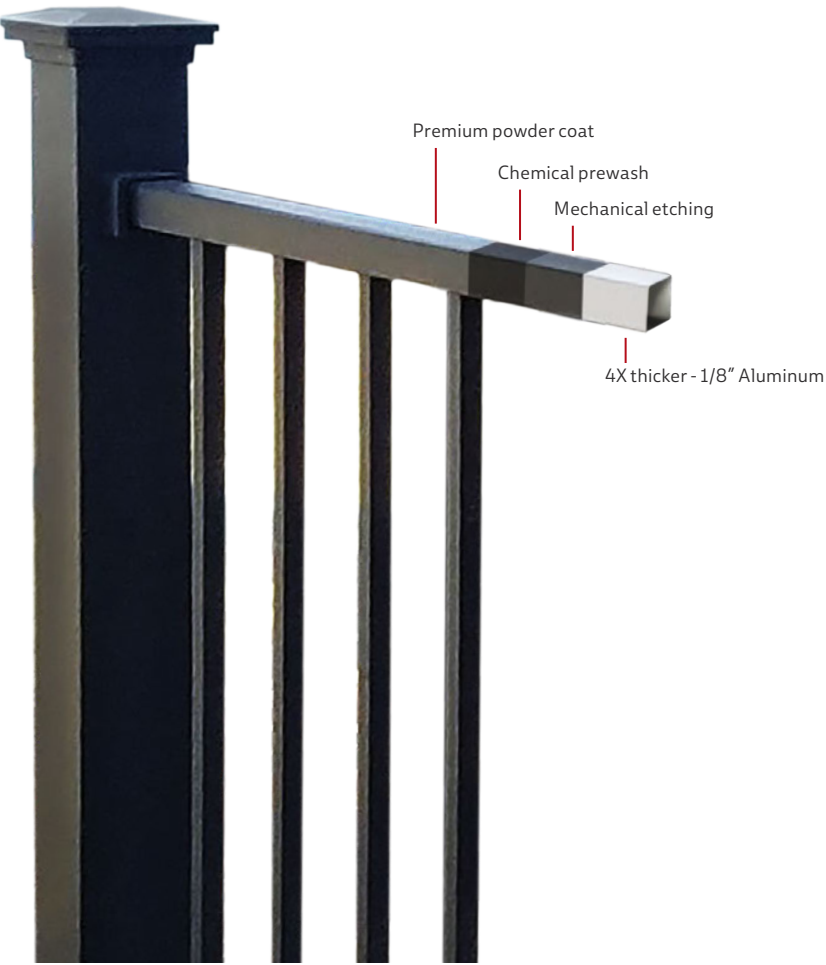

Gloss Black

Antique Bronze

AC COVERS

Protect Your Investment

CUSTOM FIT FOR PROTECTION YOU CAN TRUST

SugarHouse custom covers are designed to fit all air conditioner brands including Carrier, Lennox, Rheem, Mitsubishi, Amana, American Standards and Bryant. We keep the design of your unit in mind when creating our covers so you can enjoy quick and easy installation. Each cover includes a corner opening to accommodate any wires, pipes or hoses while a draw-rope is sewn into the bottom to cinch the cover up tight.

PREMIUM AC COVER

- **Perfect fit:** A range of stock sizes
- **Heavy-duty canvas:** Commercial grade, breathable canvas is fade resistant, provides full-length coverage, and prevents condensation
- **Water repellent:** Waterproof fabric protects against moisture, debris, snow, leaves and dirt
- **Quick installation:** Includes corner opening(s) to accommodate pipes and hoses; adjustable cinch rope around the bottom ensures a tight fit
- **Warranty included:** Includes a 7-20 year warranty plus our 100% Satisfaction Guarantee
- Optional Security Straps Available

CUSTOM CANVAS PRODUCTS

Safeguard Your Outdoor Valuables

Waterproof, UV protect and winterize your outdoor valuables with a custom canvas cover. Protect A/C coils from snow and ice, prevent pitting on the exterior of a grill, wear and tear on your outdoor furniture, and hinder freezing of an outdoor fountain. There is no limit to the custom canvas products we offer.

FABRIC

- Heavy-duty, commercial-grade construction
- Excellent strength, durability, tear and abrasion resistance, dimensional stability to prevent warping
- UV and mildew resistance
- Breathable canvas provides full-length coverage and prevents condensation
- Fade and stain-proof
- Top-rated 7-year warranty plus 100% satisfaction guarantee
- Hand-crafted in the USA

AVAILABLE COLORS

UPHOLSTERY & FURNITURE

Fresh New Look

Upholstery and furniture, like anything else, will inevitably wear out over time.

To deal with this problem, our staff will completely repair every part of your home furniture and upholstery.

The upholstery we produce for patio furniture is made from premium outdoor foams and fabrics that will give your furniture a much longer life than if you purchased it from a department or home improvement store. To best customize the look of your furniture to match the decor of your home and patio, choose from any of our large variety of fabrics and materials.

SNOW SHIELDS & TARPS

Proper Coverage & Easy Snow Removal

SNOW SHIELDS

Snow Shields remove hundreds of square feet of snow in minutes. If you are using Snow Shields at home, you can easily attach them to a four-wheeler, UTV, etc. to pull the tarp off your driveway. For commercial purposes, lay the Snow Shield out before a storm, attach the corners to overhead cranes after the snow has fallen, and lift. Snow Shields have been tested and can lift over 10k pounds of snow!

TARPS

General use tarps are a cost-effective way to cover and protect your important possessions from the weather. Stock sizes are available in a variety of sizes and materials. Custom, made-to-order tarps are also available in just about any size or material imaginable. Available in 10x10, 10x20, 15x30.

COVERS & ENCLOSURES

All Weather Protection For Your Off-Road Vehicle

SugarHouse UTV and ARGO cab enclosures are handcrafted to ensure a precise fit for each model. They are manufactured using heavy-duty, marine-grade polyester that is water-repellant, tear resistant, and impervious to mildew and UV rays. With those qualities, you'll have a product that is as tough as your UTV/ATV.

ULTIMATE CAB ENCLOSURE

- Provides full coverage when combined with an existing hard windshield and roof
- Available in a 2- and 4-door model
- Doors can be rolled up
- Windows are made 20-gauge, anti-scratch, marine-grade vinyl which provides an uninhibited view and total clarity
- Lightweight and easy to attach

PREMIUM STORAGE COVER

- Made from heavy-duty, marine-grade, 100% polyester
- Waterproof and fade-resistant
- 7-year warranty
- Taylor-made in our Utah manufacturing facility
- Tear and abrasion resistant
- Mildew and UV resistant
- All-weather protection
- An elastic cord hem under the front and rear bumper produces a fast, snug fit, while straps around the front and rear tires ensure the cover will not blow off in the wind

Because we custom make every UTV enclosure, we can create covers for any type, size and style of SXS off-road vehicle. We've installed covers on equipment from every manufacturer out there: Polaris, Can-Am, Arctic Cat, Honda, Kawasaki, John Deere, Yamaha, ARGO and more!

TRAILER SKIRTING & SUGARHOUSE REPAIR

Stay Warm & Save Energy

RV TRAILER SKIRTING

Custom RV Trailer skirting is an easy and cost-effective way to reduce heat loss, lower your heating bill and stay more comfortable in your trailer during those cold winter months. Let the expert craftsmen at SugarHouse measure, pattern and install your custom vinyl skirting and reduce your interior heat loss as much as 25%!

We use heavy-duty 18oz reinforced vinyl and top-of-the-line fasteners to provide a durable solution that will last you for many years to come. Each skirt is custom patterned exactly to your trailer, so the fit is perfect, and removal and re-installation is quick and painless. Plus, our craftsmen take the time to pattern around steps, exhaust pipes or other obstructions to maintain a tight, efficient seal. We can even create flaps and openings with velcro or zippers to allow easy access to important areas.

SUGARHOUSE REPAIR

SugarHouse Awning is capable of fixing worn, torn and tattered awnings, boat covers, and are equipped and trained to fix so much more. SugarHouse has the equipment and expertise to repair tents, trampolines, upholstery, Jeep tops and doors, inflatable bounce toys, patio furniture, zippers and just about anything else that might tear. We also fix welding work as well. Whether it's repair work or new fabrication, we will get the job done — fast and on time. Most repairs are in and out within one week.

TOPS & BIMINIS

Add A Little Shelter & Style To Your Boat

The Bimini can keep you from being burned by the hot sun, provides shelter during a rainstorm, and can be easily folded back to provide sunlight when you want. Each boat top and bimini we manufacture are custom designed to fit your boat. We offer various styles and options that can complement any type of boat. Whether you want a top that is enclosed or if you are just looking for shade, we can do it all!

COVER WE OFFER

- Standard Bimini Tops
- Tower Bimini Tops
- Convertible Tops
- Camper Tops

COLOR OPTIONS

Cadet Grey	Charcoal Grey	Black	Taupe
Linen Tweed	Pacific Blue	Captain Navy	Forest Green
Sunflower Yellow	Jockey Red	Burgundy	

SNAP-ON COVERS

A Fast & Convenient Way To Protect Your Boat

Each snap-on cover we make is custom-made to fit the exact make and model of the boat it protects.

In addition, our snap-on covers can be altered to fit any type of custom framework and towers. To offer further protection, the underside is reinforced at each critical wear point, including the windshield, cleats, and mounts.

Each standard snap-on cockpit and open bow cover we produce is made from Sunbrella fabrics-the most exceptional all-weather marine fabric available on the market. If you're looking to save a little money, we can make a snap-on cover out of marine vinyl-a less expensive material.

COLOR OPTIONS

TIE DOWN COVERS

Style & Function, Custom-Made Just For You

COLOR OPTIONS

We believe in producing premium quality products and will build you a cover that will last for years to come.

We have over 75 years of experience manufacturing awnings, custom boat covers, and canvas products. We've been in business for a long time, and we know how to make quality products and serve our customers well.

FEATURES

- All tie-down covers are reinforced with heavy-duty webbing, which creates an extremely tight fit without tearing the material
- The underside of the cover is reinforced with heavy-duty vinyl on all the critical wear points
- Each cover is made from premium marine fabrics that are resistant to water and mildew

CINCH COVERS

A Sleek Fitted Cover That Will Protect Your Boat

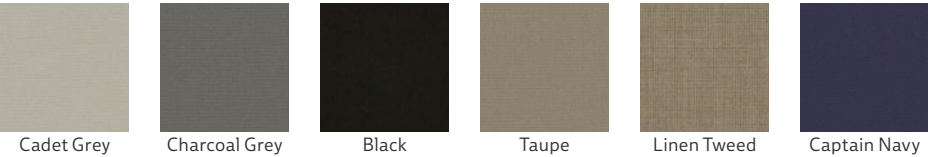

If you’re looking for custom protection that easily attaches, a cinch cover may just be what you’re looking for.

FEATURES

- Heavy-duty strap and ratchet fastening system for a secure fit
- Easy to install and remove
- Custom cut-outs where necessary i.e. fuel
- Cinch covers are reinforced with heavy duty webbing, which creates an extremely tight fit without tearing the material
- The underside of the cover is reinforced with heavy-duty vinyl on all the critical wear points
- Each cover is made from premium marine fabrics that are resistant to water and mildew

COLOR OPTIONS

ENCLOSURES

Custom Enclosures That Will Extend Your Boating Season

These enclosures safeguard people and upholstery from harsh UV rays by offering shade. They can also help protect against wind and rain.

Without a detail-oriented tailor to correctly pattern, cut, sew and fit the curtain to the boat, you end up with wrinkly curtains that can be difficult to see through and don’t look good on your boat. We only use the best marine grade fabrics to help protect your investment.

These fabrics are known for their durability and long lifespan. They are also stretch and shrink-proof, and their tear and break strength are very high. Plus, they come in many different colors and are easy to clean.

POPULAR COLORS

MARINE UPHOLSTERY

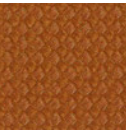

Top-Of-The-Line Boat Upholstery For Your Investment

The craftsmen at SugarHouse have spent decades refining and perfecting their marine upholstery skills. Our highly skilled team values its reputation as industry leaders, combining the perfectionism of the craftsman with signature style.

On every project, large or small, the quality and attention to detail set SugarHouse apart from the rest. From replacing a single piece to match your existing upholstery, to a complete overhaul to update and refresh your boat- you'll be sure to get the best quality and service from the marine upholstery team at SugarHouse.

MARINE CARPET

Refresh & Update Your Boat

Owning a boat is a major investment. When you choose SugarHouse's boat craftsmen to replace the carpet on your boat, you can expect the highest quality materials, friendly service and a quick turnaround.

All of our boat carpets are cut and sewn in-house ensuring a true custom-fit and eliminating delays and mistakes that may occur when a pattern is mailed to a third-party company for fabrication. Both glue-down and snap-in flooring materials are manufactured by Corinthian Marine, the finest in marine flooring available today. Corinthian marine carpet is bound with Sunbrella binding, providing long-term durability and comes with a 3-year manufacturer warranty.
