WAKESHADE
Universal Shade Extension

BENEFITS & FEATURES

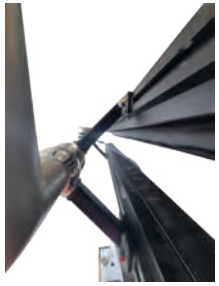
Flexible Mounting Options:
Mounting channel allows clamps to be mounted up to 44” apart.

Smart Design:
Dual purpose, marine grade zippers attach canopy to housing when shade is deployed and seal boot closed when stowed.

Protects From the Sun:
High strength canopy with 98% UV A&B ray protection, and long term color retention qualities.

Reliable Construction:
Powder coated aluminum housing won’t fade or rust.

Available in 2 Sizes:
- 66”W x 62”L
- 75” W x 62”L



Adjustable Mounting Heights:
Clamp standoffs accommodate speakers, fishing poles, tow lines, etc.

Easy and Convenient Storage:
Built-in storage boot seals the unit completely. Folds compactly and can be left mounted when not in use.

Mounts in Minutes:
Bolt-on clamps with 15 size options ranging from 1 1/4”- 3” in diameter. No drilling or customization required.

30 Can Be Left Open:
Stainless steel arms and fittings support speeds of up to 30 MPH.

Fast Set Up:
Zip-and-snap assembly take only a couple of minutes.

IN STOCK, READY TO SHIP.
